

Welcome to the Custer County Foundation's 20th Annual Gala & Auction

On behalf of the Custer County Foundation Board of Directors, I want to welcome you to our “**Emerald Anniversary Celebration**”! After twenty years, I am sure of two things: this event continues to be a huge success, thanks to our generous donors and buyers, and there was just as much excitement in planning this event as there was in planning the very first one.

As we go about our daily work at the Foundation, we always strive to remember the vision of our founders: to continuously grow and make a difference in the lives of Custer County residents. Through the awarding of grants and scholarships, the Foundation has been able to help many charities, individuals, and communities throughout Custer County for over 30 years.

A very special **thank you** goes to those generous businesses and individuals who donated to the silent and live auctions, as well as our *Friends of the Foundation*, *Wine Bar Sponsors*, and *Custer County Foundation Ag Boosters*, who helped underwrite portions of the event. Without your contributions, we would not be able to put on this spectacular fundraising event!

Thank you for your continued support of the Custer County Foundation. Through your generous giving, you are truly making a difference in people's lives throughout Custer County. As we enjoy our evening together, let us all remember our motto and our purpose here tonight: “Preserving Our Heritage...Planning Our Future.”

Rilee Daffer, Executive Director

427 Establish Your Own Scholarship

Have you ever thought about what you would do if you could offer your own scholarship? Now is your opportunity!

The winner will come up with a name for the scholarship, and determine the scholarship criteria. For example, do you want the recipient to be entering a specific field, such as nursing, teaching, ag, etc, or have it available for any field of study?

The winning bid amount will be the amount of the scholarship. It will be a one-year scholarship that will be available for the 2025 Scholarship Cycle, and awarded at the Foundation's Scholarship Ceremony in March. The scholarship must be available for all Custer County students. Students will apply for the scholarship through the Foundation's scholarship portal, and the recipient will be selected by the Foundation's Scholarship Selection Committee.

****This will be a one-time scholarship, unless the winning bidder chooses to offer it again.**
